“

Giving Your Future
Wings !

A WARM WELCOME TO OUR BSAITHM VIKASPURI FAMILY!

Dear BSAITHM Students,

On behalf of the entire management, faculty, and staff, we extend the warmest of welcomes to you all! Whether you are a returning student ready to tackle a new academic year or a newcomer embarking on your college journey with us, we are thrilled to have you as part of the Baba Saheb Ambedkar Institute of Technology and Management (BSAITHM) Vikaspuri family.

This academic year promises to be one of growth, innovation, and exciting opportunities. At BSAITHM, we are committed to providing you with an environment that fosters academic excellence, encourages hands-on learning, and nurtures holistic development.

What to Look Forward To:

- **Cutting-Edge Curriculum:** Be prepared to delve into a curriculum that is constantly updated to meet the demands of the modern industry. Your classes will challenge you and equip you with the practical skills and theoretical knowledge necessary to excel in your chosen field.
- **Vibrant Campus Life:** Beyond the classroom, our campus is a hub of activity. We encourage you to get involved! Join our various clubs and societies, participate in sports, and take part in cultural and technical events. These activities are vital for developing leadership, teamwork, and a well-rounded personality.
- **Dedicated Support:** Remember, you are not alone on this journey. Our faculty members are not just teachers; they are mentors and guides who are dedicated to your success. Our administrative staff is also here to provide the necessary support for any academic or personal needs you may have.

Your time at BSAITHM is an investment in your future. It's a chance to build lifelong friendships, discover your passions, and transform your potential into reality. We urge you to seize every opportunity, work diligently, and make the most of your college experience.

We look forward to seeing the great things you will accomplish this year!

Wishing you all a successful and enriching academic year!

Best Regards,

The Management and Faculty, BSAITHM, Vikaspuri

SWACH BHARAT INITIATIVE AT BSAITM VIKASPURI NEW DELHI

Written By Harpreet Sharma

The ultimate lesson of the Swachh Bharat Abhiyan is that a clean environment starts with individual responsibility. By not littering and encouraging others to do the same, every student can contribute to a larger environmental movement.

Role of students in the Swachh Bharat Abhiyan

Students can and do play a critical role in the mission. By becoming active participants, they learn invaluable lessons in environmental science and citizenship.

Be a cleanliness ambassador :

Always use dustbins and encourage your family and friends to do the same.

Practice waste segregation:

Separate dry and wet waste at home to help with proper disposal and recycling.

Participate in drives:

Join or organize cleanliness drives in your school or neighborhood to create a visible impact.

Innovate:

Think of creative, eco-friendly solutions to waste problems, just like the students who developed a mobile app for selling waste.

Education should empower—not exhaust.

Shreya Chowdhury

Schools and institutions must create a supportive environment where mental health is prioritized. If a student feels persistently tired, detached from their goals, or unusually irritable, it may be time to take a step back and reflect. With tight schedules, high expectations, and the constant drive to outperform, many students are finding themselves emotionally and physically drained. This growing phenomenon is known as academic burnout—and it's becoming a serious issue that can no longer be ignored.

Students themselves need to understand the importance of balance. While hard work is important, so is taking time to relax, pursue hobbies, and connect with friends and family. Learning to manage time effectively and setting realistic goals can go a long way in reducing stress.

"BSAITH provides an excellent environment for learning and personal growth. I'm proud to be a part of such a reputed and supportive institution. The college maintains high academic standards and offers great opportunities for students. The campus atmosphere is positive, motivating, and full of energy."

Mehak
B. Pharm S1-B2
From BSAITH, Vikaspuri

Pursuing B.pharma is such an eye opening experience for me. This course is not only deepens my understanding on medicines but also develops my analytical and practical skills.

Takshita
B.Pharm(S1 B2)

Pursuing B.pharma.I am passionate about understanding the science behind medicine and their impact on human health. Studying b pharma excites me as it offers a blend of chemistry , biology and healthcare , leading to the rewarding career in pharmaceutical industry

ANUSHKA SOI
B PHARMA (S1 B2)

I'm thrilled to study B Pharmacy at BSAITH. This course fascinates me as it combines science and healthcare, offering immense opportunities to improve human lives. I'm eager to learn about pharmaceuticals, research, and development, and contribute to the healthcare industry with my knowledge and skills.
